ABOUT

"Everything is Design, Everything!"

Being creative and a passionate artist since childhood; I always believed in making this world a beautiful place to live in and *Design* is my way of contributing towards it. Like the legendary Steve Job says, Design is not just what it looks like or feels like. Design is how it works. **14+ years** of professional work experience, I truly believe in out-of-the-box thinking, innovation, passion, compassion, honesty and teamwork aligning to the organisational goals.

EXPERIENCE

GRAPHIC & GAME DESIGN LEAD (INDIA & CHINA)

MX Player (Times Group) / Mumbai / Jul 2018 - Present / 1.5 Years

Graphic Design

- I established a successful graphic design team of **20+ members** from scratch within a year. I Hired, mentored, educated, guided, managed and appraised entire team and transformed each one of them into full-fledged creative professionals.
- I exponentially notched up the overall design standards of the creatives, templates, artworks, graphics, thumbnails for MX Player.
- I introduced JIRA and several other systematic design processes for smoother functionality and greater productivity of the team.
- I efficiently managed the entire artwork factory under intense work-load scenarios with maximum quality and minimum errors.
- I was appreciated multiple times for building the overall team culture, work efficiency, quality and creativity by other departments, teams, colleagues and seniors.

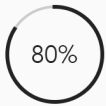

Game Design and Animation

- Headed a game design **team of two**, both from Beijing China. One Game Designer and one Game Animator.
- I showcased excellence in crafting the game designs and animations for **10+ MX Games** in just 4 months.
- I creatively participated in MX Games conceptualisations and R&D with Indian and Chinese game product teams.
- I mentored, guided and educated the team and closely monitored
